INSTRUCTIONS FOR

UPLOADING FINAL PAPERS

iAPG
INSTITUTO ARGENTINO DEL PETROLEO Y DEL GAS

COMISIÓN DE
EXPLORACIÓN Y DESARROLLO DE HIDROCARBURO

■ Upon receiving your abstract's approval notice by e-mail, please log in again to SISCON with your user name and password. Please, select the Congress: the information on the submitted abstract shall be displayed on the screen. You'll find three buttons on the screen's right side:

■ The light blue button allows to view all the abstract/paper's information you've uploaded to SISCON
■ The green button allows to edit the abstract/paper.
■ The purple button is the communication channel with your paper's arbitrators.

■ To upload the final file, please **click on the green button**, "**Edit"**. Move on until reaching item 5, "Upload work". Upload your final paper, preferably in .docx.

Once the final paper is uploaded to the platform, please check the associated box to authorize the publication of your paper. Should this authorization be still pending, you may fulfill this step later, when the final paper is approved by the Congress's Technical Committee. You'll receive an e-mail from the SISCON to confirm that your paper has been successfully uploaded.

You'll be assigned two arbitrators who'll review your work. They may wish to contact you through SISCON's internal e-mail service. Whenever they need to send you a message, you'll receive an e-mail from SISCON. remember you may access your messages by clicking on the **purple button**.

■ Should you need to upload a new version of your paper due to any modificatios/amendments required by your arbitrators, please go back to item 5, "Upload work" and upload your new version. This new file shall automatically become available to the arbitrators. Do not erase the previous version uploaded to SISCON.

You'll be informed of your paper's approval or rejection through an email from the IAPG's Technical Secretary Office.
